

School Profile: Huegel Elementary School

Introduction

Huegel Elementary School is very proud of the strong community created by its families, staff, students and community members. We believe that every child can learn and grow, and we work hard to make sure that all students reach their full potential. Our talented teaching staff consistently collaborates to support students' learning through enriching academic opportunities and also focuses on developing students' social-emotional character. Our Positive Behavior Support (PBS) program teaches students to be safe, respectful and responsible, and we celebrate our positive school community throughout the year with a variety of fun and engaging school-wide activities and events.

Strengths

Along with the language arts, math, science and social studies curriculum, all students participate in arts, music, technology and physical education classes each week. Our new library media center features a 3D printer and an engaging makerspace area, as well as thousands of books for students to check out. We are proud to be one of the first cohort of schools selected to integrate technology into our daily instruction.

Progress

During the 2015-16 school year, our staff focused on implementing new technology into teaching and learning. We also aimed to utilize technology to increase two-way communication with families. In addition, teachers incorporated new materials to teach writing, and also used pre and post assessments to monitor students' writing progress.

Areas for Growth

This year, Huegel will be focusing on integrating technology into guided and independent practice, teacher teaming and increasing two-way family communication, particularly around the new reporting system.

Vision Connection

Our school supports MMSD's vision that all students acquire the skills and abilities needed to be successful, including a mastery of content areas, growth mindset, self-knowledge, creativity, wellness, interpersonal skills, confidence, cultural competence, and community connection. Through these skills and abilities, our students will graduate college, career, and community ready.

Attendance Rate 95.3%
Total Enrollment 463

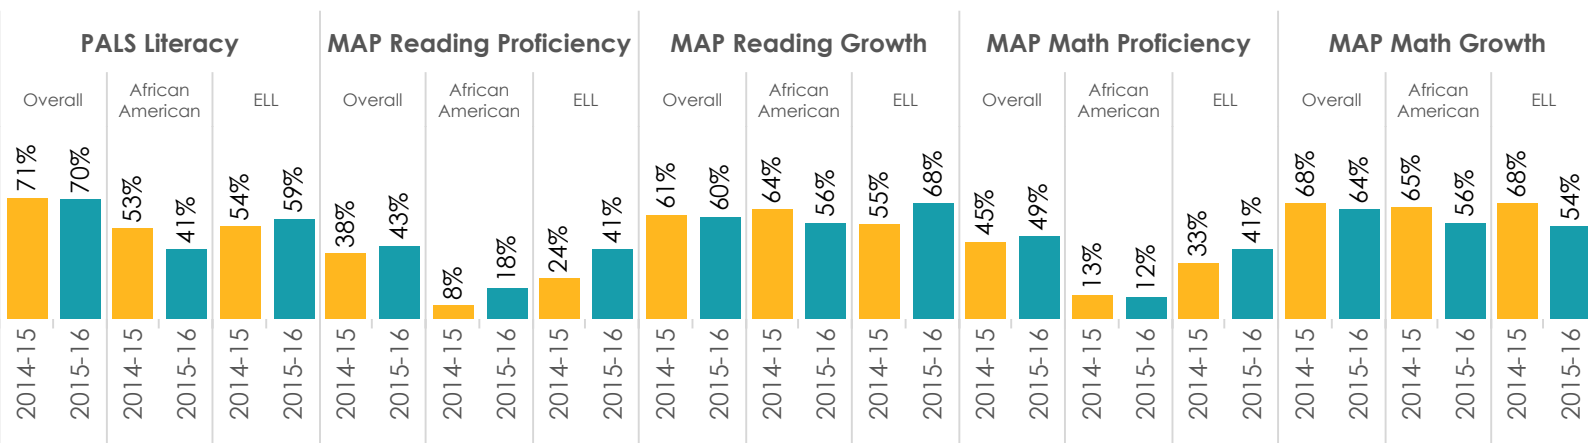

Demographics

ELL	19%
Low-Income	45%
Special Education	14%

Strategic Framework Goal #1 Milestones: On-Track to Graduate

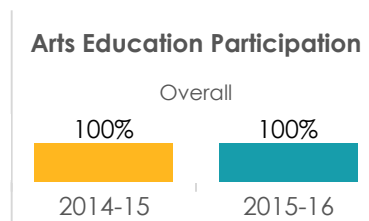

Each bar shows the percent of students meeting the relevant metric overall and for the focus groups the school selected on their School Improvement Plan (SIP, when applicable).

PALS includes English and Espanol in Grades 1-2. MAP includes Grades 3-5. MAP Growth is based on the percent of students meeting typical Fall to Spring growth targets.

Strategic Framework Goal #2 Milestones: Challenging and Well-Rounded Education

The table below shows the percent of students meeting the relevant metric.

Participation rates are based on transcribed courses.

Strategic Framework Goal #3 Milestones: Positive Climate

The table below shows the percent of responses within each dimension and group that were positive.
